## **MISC**

---

During my undergraduate, I built and launched a personal blog on my own.

So far, I have posted about 177,000 words of notes and already received 150,000 views from 100,000 unique visitors.

I am a crazy fan of One Piece manga (not its animation).

I own 14 T-shirts with One Piece characters, which allows me to change for 2 weeks without repeating.
